Michael Eydam

Freelance cameraman with nearly ten years experience is looking for new opportunities and interesting projects.

Experience

ME - Pictures

Bielefeld, Germany

May -2018

Now

● Camera Freelancer

I took the next step and started my own business.

Concentrated on camerawork. I shoot mainly advertising movies or do live camera.

Sabbatical

New Zealand

October - 2017

April - 2018

● Nothing in particular

After a few years of working, it was time for a break.

A big, spectacular break, with lots of landscape, crazy people and sheep.

SkyMineMedia GmbH

Tecklenburg, Bonn,

Germany

June - 2013

October - 2017

● Cameraman, Editor, Director, Producer

SkyMineMedia GmbH (www.skyminemedia.de) is an advertising agency, same as a media production with 8-10 employees.

- was the right hand of my boss
- consulted customers
- wrote treatments
- wrote offers
- managed productions
- worked as boom-operator
- handled cameras
- worked as a cutter
- set up film lighting
- spoke advertising texts
- supervised live production setups
- graded movies
- also did some websites and photography

Hospital TV - Klinikum

Ibbenbüren GmbH

Ibbenbüren, Germany

November -2010

March - 2016

● Editorial Director

Hospital TV channel for around 1500 patients.

- leading volunteers and civil servicers
- steering the overall direction of the TV Channel
- decided about contents
- supervised live productions
- wrote treatments for TV reports
